Re: Bona Fide Request for Local Number Portability

Dear Ms. Romig:

We have received your request for Local Number Portability ("LNP") implementation at Home Telephone Company. It is our understanding that the FCC order referenced in your request, FCC CC Docket 95-116 and the November 24, 2003 implementation for LNP, applies to CMRS carriers.

Your request to Home Telephone Company for LNP implementation appears to have been issued in error. Therefore, we do not anticipate implementing LNP capabilities in our service territory at this time.

If you have any questions, please contact me at (618) 644-2111.

Sincerely,

Dear ERIC,

In July, 2002, the FCC mandated that all carriers in the top one hundred (100) Metropolitan Statistical Areas (or MSAs) implement Wireless Local Number Portability (WLNP) by November 24, 2003. Pursuant to this FCC mandate, Sprint PCS (SPCS) has identified you as a potential Trading Partner. As such, **SPCS would like to exchange the necessary information to allow porting to be tested and placed into production between us on November 24, 2003.** In addition, **SPCS is willing to negotiate an Operating Agreement with you as a means of finalizing a mutually acceptable porting arrangement on a separate schedule and through a different mechanism.**

The enclosure contains SPCS's contact and connectivity information needed to initiate porting. SPCS requests that you provide your contact and connectivity information and return same within ten (10) business days. Please return to *Peter Jacklin* or *Hal Weintrub*, via FAX (as detailed below). If you prefer email correspondence, please contact either individual for a "soft copy" of the file.

The individuals responsible for exchanging Trading Partner porting information and who will be contacting you in the near future are:

Peter Jacklin
Phone: (913) 307-7356
FAX: (913) 307-7447

--or--

Hal Weintrub
Phone: (913) 307-7379
FAX: (913) 307-7447

Dear Mr. Weyforth:

Home Telephone Company ("Home") received your letter dated 21, 2003 regarding local number portability (LNP) and the identification of Home as a "potential Trading Partner." However, Home is currently exempt from the FCC's LNP requirements because Home has yet to receive a bona fide request ("BFR") to provision LNP. Although Fawn Romig of Sprint PCS previously sent a letter to Home regarding LNP, Ms. Romig's letter was not a BFR, as detailed in my response to her (Attached.) Further, Home is under no obligation whatsoever to provision location portability, which is what Ms. Romig's letter appears to be addressing. Accordingly, Home will not complete the form attached to your letter. Should you have any questions or concerns regarding Home's position on this matter, please let me know. Otherwise, I will consider this matter closed.

Sincerely,

Eric Schmidt
Vice President
